INSTRUCTIONS

In accordance with the provisions of KRS 131.081(11), KRS 131.170, KRS 141.170, and Regulation 103 KAR 15:050, an extension of time to file a Kentucky corporation income and license tax return may be obtained by either:

1. submitting a copy of federal Form 7004, Application for Automatic Extension of Time to File Corporation Income Tax Return; or

2. requesting an extension pursuant to KRS 141.170 before the date prescribed by KRS 136.100 and KRS 141.160 for filing the return, i.e., the 15th day of the fourth month following the close of the taxable year.

Federal Extension—A corporation granted an extension of time for filing a federal income tax return will be granted the same extension of time for filing a Kentucky income and license tax return for the same taxable year provided a copy of the federal Form 7004 is attached to the Kentucky income and license tax return when it is filed. A copy of the federal Form 7004 should not be mailed to the Revenue Cabinet before filing the return unless the corporation is submitting a payment (see **Payment of Tax** below).

Kentucky Extension—In order to have a valid extension pursuant to KRS 141.170, a corporation must complete, sign and mail this form to the Revenue Cabinet on or before the 15th day of the fourth month following the close of the taxable year. An approved extension will not be returned to the corporation.

A copy of either federal Form 7004 or this form must be attached to the return when filed, and a copy should be retained for the corporation's records.

License Tax Return—An extension of time for filing a corporation income tax return also constitutes an extension of time for filing a corporation license tax return for the same taxable year.

Consolidated Returns—An extension of time for filing a consolidated Kentucky corporation income tax return also constitutes an extension of time for filing for each member of the affiliated group. **If the affiliated group is submitting payment of license tax for any subsidiary with the application for extension, this form must be filed in lieu of the federal Form 7004 to ensure proper processing of payments.** List in Part II all subsidiaries subject to Kentucky corporation license tax and enter the amount of payment for each corporation.

Payment of Tax—An extension of time to file a return does not extend the date prescribed for payment of tax. Therefore, a check made payable to the Kentucky State Treasurer for the amount of any unpaid tax should be submitted to the Revenue Cabinet along with this form or a copy of federal Form 7004 on or before the 15th day of the fourth month following the close of the taxable year. To ensure the proper processing of the payment, the Kentucky Account Number must be printed in the upper right hand corner of federal Form 7004 when submitted.

Penalty—A penalty of 2 percent of the tax due for each 30 days or fraction thereof may apply to any income or license tax not paid by the 15th day of the fourth month following the close of the taxable year.

Interest—Interest at the tax interest rate applies to any income or license tax paid after the 15th day of the fourth month following the close of the taxable year.
